Dr. A.P.J. Abdul Kalam Technical University

Bachelor of Technology in Computer Science
September 2023 – present

BLMP High School

High School(2020) percentage : 78.16%

Shaheed Chandra Shekhar Azad Inter Collage

Intermediate(2022) percentage : 70%

SKILLS

- Front-end Web development
- MERN Stack development
- DBMS
- Python
- Data Structure
- Machine Learning
- Communication and interpersonal skills
- Ability to work independently and as part of a team

PROJECTS

• ChatBot

A smart AI-based chatbot built using JavaScript and Node.js that can respond to user queries in real-time. Integrated with APIs for enhanced functionality.

• YouTube Backend

Backend project built using Node.js, Express, and MongoDB to handle video uploads, comments, and user authentication similar to YouTube.

• Django Basic Project

A Django web app demonstrating user authentication, CRUD operations, and responsive templates using Django's built-in tools.

• PORTFOLIO WEBSITE

Designed and developed a personal portfolio website using HTML, CSS, and JavaScript to showcase professional projects, skills, and achievements. This project demonstrates proficiency in front-end development and a commitment to creating accessible, user-friendly web experiences.
